

To Australia

Chapter 1

Road trip

While Anna was watching the bus window she suddenly felt a stop.

“We’re here!” Dad said while breathing. We all went inside an airplane and took off. I felt that once the war had finished I could see Eva again with grandpa.

“Mum?” I asked suddenly making her looked shocked.

“What my love?” She said softly.

“Will uncle Malek, aunt Jana and baby Lena be alright?” I said.

“We don’t know love, but I’m sure they will be OK,” Mum said. We traveled day and night. Then we landed. I smelled fresh air. I felt good after breathing in a new place, new look and... Camps? Right in front of the airport were many tents that were in rows of 16.

“Where could they be?” Dad said. Then we found a white tent that has the word, “Leader’s Camp.” So we went inside to talk and have the map to lead us to uncle Malek’s tent. His tent was first in row, it was A 12.

“Ehem,” Dad said “Helo?! Anyone inside?” Dad asked.

“Is that you Marchial? With, Anna and Amy?” a voice said.

“Uncle!” I shouted. Then mum asked me if I want to take a walk around the camp. Dad and uncle Malek were talking, and aunt Jana was rocking baby Lena to sleep. Then I bumped into a girl who had a long gold yellow shiny hair.

“Hi!” The girl said.

“Hi may name Sinitya.” The girl said.

“Umm my names is Anna.” Anna said.

“Do you speak my language?”

“Where are your family?” Anna asked.

“Oh... I.. ummm, I don’t know where they are.” Sinitya said.

“Oh I’m sorry.” Anna said.

There was only one or five pages in Anna’s scketch book. So she used her last few pages to write about today. The next morning mom sent me to school, it was not fun but at school I saw Sinitya. When the war was finnished I came back to my homeland. We tried to find grandpa, but he was not here, at least I saw Eva. Then I saw my thinking tree!

“Eva? Did granpa did this?” Anna asked Eva.

“Yes he did, but after he planted it he died.” Eva said sobbing.

“Oh-no!” I said. After chatting we went to my house, but everything was gone! Only land. Then I asked Eva if she wants to come and visit Australia.

“Well my mom and dad was gone, so maybe I could go!” Eva said. Mom asked Eva’s mom and she let’s Eva live with Anna.

“Yay!” Anna shouted. Then when she arrived at Australia she went to her hotel.

“Wow! This is great!” Eva said.

“This is my friend Sinitya from Mexico, Spain.” Anna said.

“Oh! Hola mi amigos Comostas? Oh hai! How are you my freind? Anyone is my friend!” Sinitya said.

“Oh hi! Nice to meet you Sinitya! My name is Eva.” Eva said.

Chapter 4

Friends

Now Sinitya, Eva and Anna are friends.

“Anna! Come and eat! You too Eva!” Sinitya’s mom called from downstairs. After we all ate Anna’s mom said I could stay over. So after we ate Sinitya’s mom asked us to pick a room. I slept with Eva. That night Eva hugged me as if I was her bolster.

“Eva!! Would you mind getting of me?” Anna said. The next morning we all went to school and made crafts. After school mom took Anna and Eva to go shopping.

“Mom, could we go faster?” Anna complained. So mom got faster and Anna and eva went to the park and played. We played tag with other kids. Mom and Eva got on the car first and I helped dad put the groceries in the car. Finaly Eva decided to live and became my sister and lived with us at Australia and always visited Sinitya and her mother. Anna felt good and happy having a new friend beside her.
