One sunny day.....

One sunny day Geronimo was in his quiet office when.....

VERRRRROOOOOMMMMM! “And who was there?” Oh, I almost forgot to introduce myself! My name is Stilton, *Geronimo Stilton*. I’m the publisher of The Rodent’s Gazette the most famous newspaper here on Mouse Island. Ok, where was I?..... oh yeah! And who was there? Yep you guesst it is my terrible and horrible sister Thea Stilton. “Hey big bro! today I have great news!” Oh no when my sister said good news for me it is bad news! “Today my friends and I are going around.....

the..... **World!** Isn’t it great?!” UUUUUUUUH! I fainted just when she said World! “ Are you ok?” Yyyy...eee...sss...! “So are you going with me or not?” Ok!

BOOM!! I fell in a crash. Right in the morning Thea dragged me on the airplane ,on the stairs she bumped me on the head. Finally I was on the seat next to the window. When I woke up I saw New Mouse City it was so small! Yikes! I’m Up! On the airplane!

“Hang on big brother we’re going **Upppppppppp!**”

Thea hade some **LOOP de LOOP and Around in circles!**

I was very dizzy going around and around the airplane.

I got sick, not just sick **Very SICK!**
